

Paper Bag Bear Puppet

Materials:

Small brown bag
Brown paper
Black paper
White paper
Glue stick
Crayon or marker
Scissors

Directions:

1. Cut a head and ears from the brown paper, make sure the head is big enough to cover the bottom of the bag

2. Cut a smaller circle face from the white paper

3. Cut eyes, nose and inner ears from the back paper

4. Assemble your bear's face by gluing it all together and draw a mouth

5. Attach your bear head onto the flat bottom of the bag and now you have a puppet! You can add arms and legs or even clothes to your bear's body if you like!
