

# Make a Funny Fox

## Materials:

Paper plate

Brown and black construction paper

Googly eyes

Crayons, glue, scissors

## Directions:

1. Cut the paper plate into 4 quarters, you will only need 1 piece to make a fox
2. Color the plate however you would like the fox's face to look
3. Cut 2 triangles from the brown paper for ears and a small circle from the black paper for the nose
4. Attach the ears, nose and eyes to the fox's face
