

Make a Jellyfish

Materials:

Paper bowl
Tissue paper, crepe paper
Paint and paint brush
Scissors
White glue
Pencil
String
Paper clip

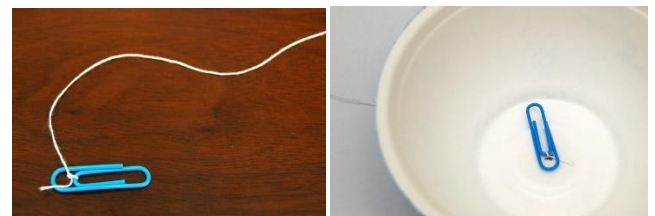

Instructions:

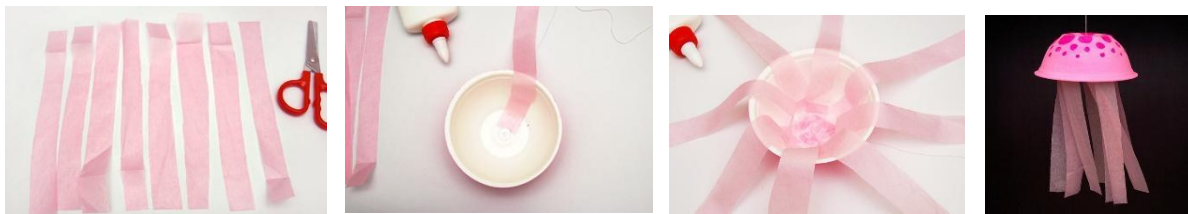

1. Punch a hole in the center of the bottom of the bowl
2. Paint the bowl

3. Tie the string to the paperclip and feed the string through the hole in the bowl so the paperclip holds the string in place

4. Create tentacles from the tissue or crepe paper and glue them inside the bowl

5. Now you have a jellyfish
